Firstly, I cannot believe that a whole network, and the universities, IN

 nothing from the A.B.A. or A.M.A. etc. Well, if our CAPITALISTIC

Those of us out here, I'll call, "real" Americans (not hyphenated), do not  
 have organized anti-defamation and catechism so our "religious" coverage  
 has long been ONLY either Catholic or Jewish. All we have is THE BILL  
 OF RIGHTS, which our Congress never enforced on itself getting rid of its  
 Chaplains--which has quite confused the UNGODLY Bush pro-Zionist  
 Christian Coalition. They are the only ones allowed in the Bush Black House  
 where I last observed him, figuratively, hiding behind a double barricade and  
 a row of civil police used as his private palace-guard FROM THE PEOPLE.  
 And I wish I could quote more accurately but he said "the people" around the  
 world out in the streets trying to stop the little "back-room" men wanting to  
 perpetuate WAR, didn't count. As our governments and institutions have  
 failed us, our courts are not charging these men AS WAR CRIMINALS, or  
 STOPPING SUCH NAZI DREAM PROGRAMS AS H.A.R.R.P., STAR  
 WARS, SCHOOL OF THE AMERICAS OR NOW TRAINING  
 PALESTINIANS TO KILL PALESTINIANS!

Mr. Powell is the  
 son of the general  
 using the STATE  
 DEPARTMENT to  
 drum up WAR?  
 Negotiation?

I am writing to tell you, and that young woman, that I do not have a Jewish  
 perspective and neither does America. And that she like: Perle, Wolfowitz,  
 Greenspan, Sharon, Netanyahu etc., as the Jews in high places in Nazi

Germany, are implicating the whole religion, again. Real Americans have a free enterprise economy and are working toward an open, egalitarian, CIVIL REPUBLIC. A simple body of law known to the people and enforced by their enactment creates not only order [the home of the brave and free] but leads to the eternal verity of SELF-GOVERNING. We have freedom of religion and SEPARATION OF CHURCH AND STATE even if Rehnquist's appointment does seem to understand that, any more than what he swore to God, on his own Bible.

Indeed, how did she get on the evening news? Not one dollar from the U.S. Treasury should be going to the religious state, Israel, and American-Jews need to stop it and move there if that's their loyalty instead of dragging MY COUNTRY into some other stupid old men's idea from 1917--the Balfour Declaration. This is 2003. The time of warring nation-states is over, our planet and civilization is threaten by "domestic enemies, cabals, Chambers of Commerce, development of the Nazi holocaust medical experimentation documentation, privatizing, selling the public airways, buying credit, water, utilities, raising the public debt etc. every deceit and deception studied from history by our "psyops" lags\* unfunding the government calling it "cutting taxes."

Now, God did not write the Bible. The Old Testament IS JEWISH HISTORY--A BLOODY ONE--where Fathers could kill their own children, do no work having SLAVES making them rich and have many women--like cows! Spiritually advanced? I don't think so.

George Herbert Walker Bush gave a blanket pardon on leaving office with no investigation or charges. If the representatives of the people can't know "classified" information, who is running the government, Mr. Tenet wasn't elected to anything neither was Negroponte or Rice. MY CONSTITUTION SAYS NOTHING ABOUT THAT OR THE NATIONAL SECURITY STATE. Bush, Inc., has done the "Enabling Laws," but, still didn't claim to have taken over the government--the defense contractor owned networks [overt and sub rosa] have to do that so real Americans can go under-ground because it appear these sneaks have suspended both THE BILL OF RIGHTS AND THE CONSTITUTION. Those of us not with them, are against them.

Still pledging sacred honor,

SECOND WITNESS UNDER SEPARATE COVER

We, the people, have no free press as we face this WORLD WIDE CONSTITUTIONAL and ECONOMIC CRISIS and the Bush Administration divides the spoils of war among their companies contracting to profiteer in cleaning up the devastation after maliciously attacking the second country: small, disarmed and unable to defend itself.

We must:

1. Shut down the funding, since 1947, in the Executive Branch Budget of an illegal, secret government undermining, internally, our OPEN, EGALITARIAN, CIVIL REPUBLIC.

2. Immediately freeze the Pentagon's funds.

3. Immediately make ALL CLASSIFIED INFORMATION PUBLIC since 1947 or before.

4. Stop the billions of dollars going to the religious state, Israel.

And then set about reforming our international government to save our PLANET EARTH and to advance HUMANITY outlawing BARBAROUS Nation-state warring.

\* REGARDING CONTRARY TO THE TENOR OF DELEGATED AUTHORITY see: Federalist Papers #78 "No legislative act, therefore, contrary to the Constitution, can be valid." ## A Bill of Treason

We, the undersigned, citizens and registered voters, in a solemn and authoritative act, are charging members of the Reagan/Bush Administrations with fraudulently misrepresenting the United State Government, a self-governing [non-military] civil republic "around the world," both overtly and covertly, with TREASON\* and HIGH CRIMES AGAINST THE STATE in willfully conspiring to subvert, pervert, and circumvent THE LAW, both domestic [Constitutional] and international, as duly elected leaders, while misrepresenting themselves as republican, and civil officers sworn to execute the laws made by the representative of the people and all under oath to "preserve, protect and defend the constitution" which is sacredly obligatory upon all until changed by some official act of the people.

\*Treason: systematically dismantling the checks and balances to Executive usurpations and encroachments to power using the mind control of media propaganda and media diversions targetting in an open warfare against individual freedoms, self-government, and open government while developing a military-police state under an all powerful Executive using premeditated psychological war techniques, drugs, biological, medical, and chemical warfare and covert activities to destabilize our civil society--nonfeasance, malfeasance, and misfeasance in using the U.S. Treasury, assets, personnel and office of the President for secret agendas.

### THE UNDERGROUND U.S. GOVERNMENT

In celebration of the CONSTITUTION, let us now correct the course of  
the nation back to her principles. (See the Declaration of Independence,  
the Constitution, the Federalist Papers and the Farewell Address)

"No money shall be drawn from the Treasury, but in Consequence of  
Appropriations made by Law; and a regular Statement and Account of the Receipts  
and Expenditures of all public Money shall be published from time to time."  
Art. I, Section 9

"...avoid the necessity of those over-grown military establishments...which  
are particularly hostile to republican liberty." Farewell Address [traditional  
guide to foreign policy]

### THE ACT SUBVERTING REPRESENTATIVE GOVERNMENT

The National Security Act  
of 1947

The intent of the CONSTITUTION is to protect  
people not weapons technologies or the  
abstract concept represented by the "national  
security" buzzwords.]

The National Security Act created the  
Central Intelligence Agency, the Defense  
Department and the National Security  
Council superimposing wartime expedencies  
from totalitarian systems. It unbalanced  
the checks of the other two branches of  
government by unConstitutionally setting  
up a system lending itself to abuses of  
power by the Executive Branch.

The Statutory Requirements of the CIA briefly

1. Advising the National Security Council
  2. Making recommendations
  3. Correlating, evaluating and seeing that INTELLIGENCE IS PROPERLY COMMUNICATED WITHIN THE GOVERNMENT. \* \*  
the last two get even vaguer)
  4. Carrying out NSC determined services best done centrally
  5. Carry out such other duties as NSC may direct
- Number 3 prohibits one branch of govern-  
ment from withholding information for its  
own power and purposes.]

Tenet is currently telling  
this PACK of old Congressmen  
that they can't know because  
its classified so who is  
running the GOV'T?

\* The Manhattan Project

### Additional Parts of the Invisible Government:

NATIONAL SECURITY AGENCY 20,000 employees with  
another 40,000 in overseas military person-  
nel under the direction of the Department of  
Defense. Its annual budget [all estimated]  
is over \$1 billion. Pentagon + Covert ops

ARMED SERVICES INTELLIGENCE under the  
umbrella of the Defense Intelligence Agency  
reports to the Secretary of the Department  
of Defense through the Joint Chiefs of  
Staff.

THE BUREAU OF INTELLIGENCE AND RESEARCH (INR)  
reports to the Secretary of State and has  
300 employees and an annual budget of  
\$13.8 million.

NATIONAL RECONNAISSANCE OFFICE (NRO) is con-  
trolled by the Air Force. It is known  
as the "BLACK ORGANIZATION" with a budget  
in the billions of dollars. runway drugs

FEDERAL BUREAU OF INVESTIGATION coordinates  
counterintelligence activities in this  
country. Its counterintelligence staff  
has been considerably strengthened since  
1981.

DEPARTMENTS OF TREASURY, ENERGY AND THE  
DRUG ENFORCEMENT ADMINISTRATION also have  
small intelligence units

THE ATOMIC ENERGY COMMISSION (AEC) a member  
of the U.S. Intelligence Board of which  
the President has two: the Intelligence  
Oversight Board (PIOB) and the Foreign  
Intelligence Advisory Board (PFIAB)

\* Along with increasingly beeted-up and  
militarized law enforcement, this is the  
underground government into which it is  
alleged that even the mafia is networking.  
It threatens self-government, individual  
life, other sovereign nations and puts  
civil populations at risk. While it  
bankrupts the country, economically, morally,  
and physically, IT ANSWERS TO NO VOTER. \*

Dear Mrs. Datch,

I am writing in opposition to proposed changes to the FCC which would allow ownership of all our local media outlets by one company. It is important to the democratic process to have diversity of opinion expressed by newspapers, TV, and radio. Please convey my concern to the Commission.

Sincerely,

FCC - MAILROOM

I am deeply concerned that you have set a June 2 deadline for submitting new regulations on media ownership. Media consolidation is a threat to the free flow of information and ideas, and it is wrong to issue new rules without giving the public an opportunity to review and discuss specific proposed regulations. An issue this important needs more debate and discussion. Please do not stifle debate on this issue.

Yours truly,
